What Happened to December?

Is it really January already?! It seems like just last week everyone was gearing up for a busy winter season and here we are already in the new year. We wish all WISE Guys families health and happiness in 2012!

The month of December was a whirlwind of activities. Photography Club display its projects in the CAVE, Cooking Club assembled its recipe book and artistic creativity was in full gear every afternoon in the ZONE.

For those who attended the winter break full days, we enjoyed bowling at Park Tavern, exploring Midtown Global Market, swimming at Southview, 'blading at Rollergardens and chowing down at Fuddrucker's.

WHAT'S NEW AT WG

New Club Session We will be starting our second session of clubs mid-January. We strongly recommend that if your child comes 3 days or more to join a club.

Clubs last for 6-8 weeks. They give the kids and staff a chance to meet in groups of 10-15 kids for fun activities. Whether it's Cooking, Photography, Basketball, or Design-It, clubs also give kids the chance to socialize and build new relationships with their peers.

Weather Reminder Once the snow begins to fall and the temperatures begin to drop, we need your help to remind youth to bring appropriate winter clothes. You never know when active play might head to the hills at Concord for sledding!

WISE Guys 19th Annual Family

Potluck and LOCK-IN

Friday, February 17th

It's that time of year again! We are holding our annual family potluck dinner and lock-in on Friday, February 17th.

We'll kick off the evenings festivities at 6:00 PM with a FAMILY POTLUCK DINNER.

We encourage all to participate in the family dinner, even if you are not spending the night.

All WISE Guys are eligible to attend the lock-in!

WISE Guys that are registered as Time to Time, Full Day only, Flex or just not registered for that Friday afternoon may still sign up for the lock-in.

Last year we had over 80 kids stay over night and over 230 people at our family night dinner. We are hoping for a great turn out this year, too.

We are trying to accommodate as many kids and families as possible and still make this a fun and safe evening.

Permission forms will be available at the end of January. Check with your homebase if you have any questions.

We look forward to another great LOCK-IN!
