All 4th and 5th grade students at Highlands are eligible to participate in intramural floor hockey before school in the big gym. **Teams and official play dates will be decided based on the number of students enrolled – minimum 28.** Once students have been placed on a team it is their job to check the schedule to see what time they play next. Games will be 10 minutes in length. Depending on the number of teams, the earliest game could start at 8:00am – students playing in this game will need to be at school and ready to play by 7:55am. Games will start on-time! If a student cannot make their scheduled playing time it will be up to the student to find a sub. Students are not allowed to “roam” the hallways before school – this behavior would be cause for immediate dismissal from the league. At the end of the regular season play, the two teams with the best record will play in the “championship” game – winners from this game will play the staff. There will also be an “all-star” team selected by Mrs. Mickschl – this team will also play against the staff.

Plastic hockey sticks and protective goggles will be provided. Officiating and scoring will be done by students throughout the season. Only non-marking running shoes may be worn in the gym, and proper gym attire is required. The coordinator for this is Highlands PE teacher, Julie Mickschl.
