**Topic: First-grade Memories**

**Skill: Figurative Language – Simile**

**Topic Description**

For this Me Book assignment, you will again need to sit down with your parents and recall some of your favorite first grade memories. What are some things that made you laugh and cry? What were some funny things you did? What did you like to do in your free time? Who were some of your friends? What were some of your favorite games and toys? Who was your teacher and what do you remember about him/her? For visuals, try to dig out some old photographs, artwork, or anything that represented you as a first grader. Make sure to include at least three similes. Have fun!

**Skill Description**

A simile is a comparison of two unlike things using 'like' or 'as'.

**Examples of similes:**

- She answered with a laugh as friendly as the mailman's ring when you know there's a letter for you.
- Robbie, wearing his Sunday suit and tie, looked like the president when he delivered a speech from the podium on graduation day.
