

## Five Step Word Study Method for Students

1. **Look** at the whole word carefully.
2. **Say** the word aloud to yourself.
3. **Spell**, say each letter to yourself.
4. **Write** the word from memory.   
(Cover the word and write it. )
5. **Check** your written word against the correct spelling.  
**Circle** errors and repeat these five steps.)

Repeat this procedure four times     for each word.
