Seniors may apply for the open lunch privilege. Given limited lunch period time, students are urged to eat in the school cafeteria each day. However, the open lunch privilege is made available to seniors who apply for it and who are able to abide by the expectations associated with the open lunch privilege. Seniors participating in open lunch are responsible for knowing and understanding the guidelines associated with it that are outlined in detail in the Student-Parent Handbook.

Rules for the open lunch privilege:

1. Demonstrate excellent attendance and behavior.
2. Seniors with a fourth hour study hall are not allowed to leave during their study hall time. They may leave for open lunch only during their assigned lunchtime. This assigned lunchtime will be communicated to fourth hour study hall students by their supervisor.
3. Students that transport sophomores, juniors or seniors without open lunch privileges may lose their right to leave campus and their parking permit.
4. Students should eat lunch before returning to school. Food and beverages will not be allowed back in school.
5. Respect the school; do not litter or loiter in the building or on the surrounding grounds.
6. Behave in a respectable and courteous manner within the community.
7. **Seniors must have this form on file before participating in open lunch. These forms will be accepted as early as Wednesday, August 24. The first day any Senior is eligible for open lunch privileges is Monday, September 20th.**
8. Be safe. Drive safely.

The open lunch privilege may be revoked for failure to abide by these rules. Normal attendance policies will be enforced. Seniors are not entitled to the open lunch privilege; it is a privilege that may be revoked at any time for failure to follow the rules established above.
