

Highlands Parking Lot 101

The students using our parking lots are much-loved members of our families. **Their safety must always come first.** Please study these traffic safety guidelines and the new parking lot map to avoid unsafe driving behavior.

- Cell phone use is PROHIBITED in Highlands parking lots. Focus all of your attention on auto and pedestrian traffic. When school patrol and staff are directing traffic, follow their signals.
- Drivers should always obey the 10 MPH speed limit in the parking lots. Speeding endangers our children's safety. This speed limit applies at ALL TIMES!

West Lot - Avoid the Bus Queue

- The ramp area in the west lot is designated for school buses to load and unload. The west lot is the main parking lot.
- To keep all children safe cars must not drive past buses when they are loading and unloading. Use the SOUTH lot for student drop off in the morning and pick up in the afternoon (see map on reverse side).
- Drivers who arrive during bus unloading/loading but will be staying beyond the bus times should use the south lot, then move to the west lot after the buses leave instead of obstructing the south lot playground area during or after school.
- Children who are driven to KIDS Club in the morning or are picked up after school may use the west lot since buses are not present at these times. Students not attending KIDS Club should not be dropped off prior to 10 minutes before the start of school.

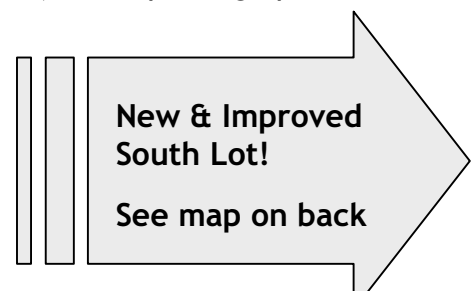

South Lot - Follow Drop Off/Pick Up Loop Rules

- Students - Do not walk across the parking lot by yourselves; wait for an adult and cross in the marked walkways on the edges of the parking lot.
- Drivers - Travel in a counter-clockwise direction through the parking lot.
- Park in the designated area in the south lot if you are entering the building to drop off or pick up a student. Accompany your child(ren) and walk around the parking lot.
- Do not park in the center of the parking lot - this should eliminate the danger of children crossing through traffic.
- Pull ALL THE WAY FORWARD in the pick up line (on right side) when picking up a child.
- When leaving the lot, merge carefully into the left exit lane.

Note: The south lot is the playground area during the school day and after school for KIDS Club. Use it only for school drop off and pick up.

South Parking Lot - New Design
