

Valley View Middle School School Directory Information **Change** Form*

The Valley View Middle School **Parent Teacher Organization (PTO)** funds and produces the Valley View Middle School directory. The directory lists by grade each student's name, phone number, address and parent/guardian names. The information contained in the directory is provided by the Edina School District. Each PTO Member will receive **one** copy of the directory per child; Non PTO members may purchase a directory for \$20.00 at the Valley View Middle School office and PTO meetings. The directory is intended for use by Valley View Middle School students, parents, teachers and staff only.
